

DENK

UNTITLED, ART.

SAN FRANCISCO

FAIR DATES: JAN 12,13,14, 2018.

DENK is pleased to announce its participation in this year's iteration of *Untitled*, San Francisco. The fair will be taking place at The Palace of Fine Arts, on Lyon Street with public admission from January 12 to 14; press and VIP previews take place on January 11.

The gallery will be featuring new and recent works by gallery artists Jeff Colson, Tim Hawkinson and Pontus Willfors, curatorially emphasizing a "return" to studio-based practices. These three Los Angeles-based artists indivisibly conjoin the conceptual and more immaterial interests of their work with the technical and "hand-made" aspects of its production.
